## TAKE CONTROL OF YOUR WARRANTY ADMINISTRATION

With the “Private-Label” Builder Backed Service Program

Through the Builder Backed Service Program, administered by 2-10 Home Buyers Warranty, we provide Warranty Administration (WA) services so you don't have to. With the purchase of the Builder Backed Service Program you'll receive:

- Private label warranty documents & certificates
- Homeowner education to define what is and is not covered under the warranty
- NAHB-defined construction standards
- A platform for quick dispute resolution
- Warranty Service Seminars
- Risk Management Seminars

For more than 30 years, 2-10 Home Buyers Warranty has offered builders and their homeowners the most comprehensive warranty programs available. When you purchase the Builder Backed Service Program, you free up not only your time but your staff's time to focus on what you do best: building and selling residential property.
